

2017 Annual Report on Giving

A Message From the Advancement Office

Dear St. Rose of Lima Community:

Once again this year we are blessed with an amazing community that supports St. Rose of Lima School each year. We would like to thank the generous supporters of the St. Rose of Lima School Annual Fund. We have raised over \$494,000 for the Annual Fund since it was established in 2009, with over \$51,000 in donations received this past school year. We would like to thank each person and organization who has contributed to St. Rose of Lima School this past year. Your gifts make it possible for St. Rose of Lima School to continue the mission set before us. We would like to thank everyone for their continued dedication to Catholic education. The Annual Fund supports every aspect of St. Rose – from building improvements, technology and programming to tuition assistance and scholarships.

Our students arrived eager and ready to learn this September and we have many exciting plans for the school year. Our middle school students will be receiving Chromebooks to enhance their learning and technology education. St. Rose of Lima School incorporated a STREAM (Science, Technology, Religion, Engineering, Art & Math) program last year and we continued to expand the learning opportunities this year with our STREAM instructor, Mrs. Justine Wilhelm. We have also incorporated new clubs and activities for the students during our 9th period. These are a few examples of how St. Rose continues to provide excellence in education to our students.

Our school building received many updates over the summer thanks to funds raised by the PTA and the Athletic Association. Classrooms were painted, bathrooms were updated and our main office and teacher's lounge received a much needed makeover! We are thankful for all of the donors and volunteers who helped make this possible. Please come visit us at St. Rose to see your gifts at work. Stay connected to St. Rose through our upcoming events, including the 96th Annual Christmas Bazaar on Friday, November 10, 2017 and the Annual Falcon Fest Beef and Beer on January 27, 2018, where we will honor members of the St. Rose community. Visit and 'Like' our pages on Facebook: [St. Rose of Lima School and Alumni Association](#) and [Rosebud Academy Preschool](#). We appreciate your generosity and commitment to St. Rose of Lima School.

We hope to see you soon!

Mrs. Sheila Thomas

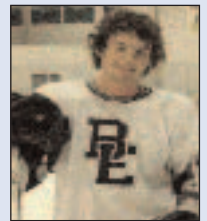

Advancement Director

St. Rose of Lima Class of 2017

The Conor O'Kane Foundation

The Conor O'Kane Foundation continues to be a great supporter of St. Rose of Lima School by providing donations to our Tuition Assistance Program. The foundation was established in 2011 to honor St. Rose of Lima alum, Conor Henry O'Kane. Conor was a 2005 graduate of St. Rose of Lima School who passed away suddenly on January 15, 2011. Conor was a young man of 19 who was taken from us suddenly and much too early, but who lived a life rich in Faith, Family and Friends. His friends and family created The Conor O'Kane Foundation to provide tuition assistance to families in need so their children can continue to benefit from a Catholic school education. Events are held throughout the year to benefit the fund. Since its inception the Foundation has donated \$74,000 to St. Rose of Lima School for tuition assistance. This past year, Saint Rose of Lima School received over \$10,000 from The Conor O'Kane Foundation. The Foundation also provides a AED machine and supplies to schools in the area including St. Rose and Rosebud Academy. We would like to thank all of the generous donors that gave to the Conor O'Kane Foundation this year.

The list of donors includes the names of those donations which were received between July 1, 2016 and June 30, 2017. All contributions to the Annual Fund are applied to the school's operating expenses for the fiscal year in which they were received unless specified by the donor. If we have missed your name or if it is listed incorrectly, please accept our sincere apologies and call the school advancement office at 856-546-6166, ext 309.
