FROM THE PRINCIPAL'S DESK

Dear School Families:

Thank you for a wonderful second week of school. I wanted to call your attention to two important reminders. 1) It is vital for the health and safety of our students and our staff that you take your students' temperatures every morning before 7:45 a.m. 2) All masks that are worn must meet the [safety standards of the CDC](#). All masks need to prevent the expelling of respiratory droplets. Please be sure adults wear masks to drop-off and pick-up as well. We want to continue in-person learning—but we can't do it without your help! Thank you for your efforts to work with us as we do our very best to keep our school's doors open. God Bless.

- Deacon Joe

Budding Artists!

Our K-1 students learned about being part of the St. Rose community and created a Three-dimensional drawing of their school building. Grades 2-4 discussed their unique attributes and created self-

portraits highlighting their special qualities; and grades 5-8 are finishing their inspirational quote posters. We were able to do art outside with social distancing this week and the kids loved it!

Our Art classroom supplies are running low. We are asking for a \$5 donation to help offset the costs of art supplies that are needed for some of our lessons. If you can contribute, you can put \$5 in an envelope marked "**Art Donation**" or [you can donate here via PayPal](#). The art room is also collecting toilet paper and paper towel rolls that will be needed for future crafts. Please send them in with your child. Thank you so much! - Mrs. Knapp
