

After-Care : Coronavirus Procedures:

- 1) Every student enrolled in the program is required to have their own personal cinch bag which should contain toys/puzzles and a book to have during their time in after care.
- 2) Also students must have an extra mask/shield- along with a personal size hand sanitizer in their bag.
- 3) Students will not share items from their personal bags with others. All bags will be kept in school.
- 4) While in after-care the students will be sectioned off into groups, according to grades. They also will be permitted to use their chromebooks for homework during this time as well.
- 5) All students are required to wear a mask/shield during their time in after-care with exception for snack time, when mask will be removed but shield will be kept in place.
- 6) All outdoor activities will be closely monitored as students will continue to be sectioned into groups.
- 7) Parents are required to pick up students from cafeteria door (steps) near rectory-*Protocol will be to knock on the door - show ID - sign book and the students will then be released to parents. Parents will not enter the school building.
- 8) Reminder all students need to be signed out by parent/guardian- No Exceptions!!

****The safety of all students attending after-care is our top priority. Let's all try to adjust to the new procedures put in place at this time.****
