Dear Parent/Guardian,

I would like to take this opportunity to make you aware of the Physical Education program. Grades are based on cooperation, preparation and participation.

Dress requirements are listed in the St. Rose School Handbook and the St. Rose Website. Students must have regulation sneakers (White or Black) and WHITE socks for PE class.

Students are expected to participate in all activities unless excused due to a medical reason. A **note** must be sent in to have the student excused. Students are expected to display good sportsmanship. They are, also, expected to cooperate with one another and to recognize that everyone has different athletic abilities and that they must encourage not discourage one another.

Please complete the below form and have your child return it to their homeroom teacher by September 14, 2020. Thank you for your cooperation.

Sincerely yours,

Theresa M. Durkin
Physical Education Teacher

I am aware of the program and grading system for P.E. at St. Rose.
