Recess Obligation Support Program Sign-Up Form

At St. Rose of Lima School, we request that each family volunteer for recess duty for two school days. **Recess duty begins at 10:40 a.m. and ends at 1:00 p.m.** There is no recess on half days. Recess duty volunteers should enter the school (using the doorbell at the main entrance) and sign in when they arrive on school grounds.

Recess duty volunteers stay outside with our students (with the faculty members on recess duty for that day) and make sure everyone is safe and attended to. In case of inclement weather, your help may be needed indoors. Please note that if your job and/or circumstances do not allow for you to sign up as a recess volunteer, we do offer the option to opt out of this duty by paying a \$35 fee. This fee helps us to pay staffing costs associated with having fewer volunteers for recess duty.
