

St. Rose of Lima School – Middle States Accreditation Update

St. Rose of Lima School is in the process of accreditation by the Middle States Association Commissions on Elementary and Secondary Schools whose mission is to improve the quality of education in the United States and around the world by assisting schools to achieve excellence through the process of accreditation. Our school has conducted a self-study, Excellence By Design, and will be evaluated by a Visiting Team from the Middle States Association April 8, 2019 – April 11, 2019. The faculty and staff of St. Rose of Lima School evaluated the data from our Self Study and determined three areas that we feel would best suit the needs of our students. Our focus will be in Math, Critical Thinking Skills and Development, and Assessment. A working copy of our Self Study will be available for viewing in the school office on March 18, 2019. We look forward to our Middle States Visit and achieving excellence in our school through teaching, learning and innovation.
