

From the Nurse's Desk

Dear Parent/Guardian:

Per the state, there are certain requirements that the nurse will need **ON or BEFORE the first day of school** for all **Kindergarten, transfer students, and students entering sixth grade**. All requirements and forms are on our website and are downloadable. To find them go to **www.strosewebsite.com**, then click on **family connections**, and then click on **Nurse's office**. Please read all sections carefully and download the appropriate forms. Make sure all forms are complete and signed by both the **physician and parent** where indicated. Please note if your child **requires medication** in school, has an **epi-pen, or has asthma**, there are specific forms which **MUST** be filled out by both **the parent and the physician**. Also, the medicine must be sent into school in its **original container** by the **FIRST DAY** of school. If you have any questions or need to discuss anything with us please feel free to call the nurse at 856-546-6166 x 305. Thank you for your cooperation in this matter.

Sincerely,

Mrs. Leavey R.N and Mrs. Hale R.N.

The School Nurses
